

SPARKLE[®]

ACI Limited

COMPANY OVERVIEW

ACI Centre, Tejgaon, Dhaka

Advanced Chemical Industries (ACI) Limited started its operation in 1992 after Imperial Chemical Industries, a British multinational, divested its investment in Bangladesh to the management. ACI Limited, being one of the largest conglomerates in Bangladesh with a multinational heritage operates across the country through its four diversified strategic business units - ACI Pharmaceuticals, ACI Consumer Brands, ACI Agribusinesses, & ACI Retail Chain.

'ACI Consumer Brands' is adding value to the daily life of consumers through its Toiletries, Home Care, Hygiene, Electrical, Electronics, Salt, Flour, Foods, Rice, Tea, Edible Oil, Paints and International Businesses.

ACI Electrical Division, under ACI Consumer Brands, was founded with the aim to offer safe, energy efficient and environment-friendly electrical and lighting solution by employing new and innovative technology for providing the best quality products. Under the brand name "SPARKLE", ACI Electrical Division now offers a wide range of electrical products starting from energy saving LED lights, switches and sockets, circuit breakers, PVC Tape and professional lighting.

With the well-equipped R&D lab and testing facility, ACI Electrical Division is continuously innovating the design to serve its customers with the latest technology and environment-friendly products. SPARKLE products are produced under the strict quality control procedures to ensure consistency and reliability under the direct supervision of an enthusiastic workforce consisting of highly trained technicians and engineering professionals dedicated towards ensuring the safety.

| Description | Technical Data |
|------------------------------|------------------------------------|
| Operating Voltage | AC 85-265V |
| Frequency | 50 -60 Hz |
| Power Factor | 0,5-0,9 |
| Color Temperature | 2700k - 6500k |
| Color Rendering Index | 80 |
| Rated Service Life Time | 30,000Hrs |
| Luminous Flux | 100 lm/w |
| Lumen Maintenance | 90% |
| Working Temperature/humidity | -20°C-50°C |
| Material | Aluminum + PC |
| Brand | Sparkle |
| Type | Round / Square (Surface / Conceal) |
| Available Watt | 3w, 6w, 12w, 18w, 24w, 48w |
